Liverpool's Art Collections

We are joining a Saga Holiday to Liverpool to explore some of the country's great collections.

We hope you will too.

The Walker Art Gallery is regarded as one of the finest in Europe, while the Lady Lever Art Gallery has one of this country's best collections of decorative and fine art. In addition to other collections we will also visit Anthony Gormley's thought-provoking sculptures 'Another Place' on Liverpool's Crosby Beach, where we can join the enigmatic cast-iron men as they gaze out to sea.
